

GIRLS VOICES NOW YOUR VOICE. YOUR STORY. YOUR POWER.

We're Coming to a workshop | screening near you!

Every month, Girls Voices Now drops in with workshops and film screenings that let you speak up, create, and shine. This isn't boring—it's hands-on, fun, and all about showing the world what you have to say. Every session is designed to inspire, empower, and leave a lasting impact.

What Happens in Our Sessions

Badass Film Screenings

Short documentaries created by teen girls in LA. Raw, real, and unforgettable—sparking conversation and reflection.

Confidence & Storytelling Workshops

Snap, write, share. Students practice telling their own stories, hear others, and build confidence in a safe, creative space.

Expert Skill Sessions

Industry pros show teens how to master camera work, lighting, marketing, and share behind-the-scenes insights into media careers.

Why You'll Love It:

Share your story, build confidence and creative skills, explore new ideas and career paths, and leave inspired and ready to make your voice heard.
