“
My experience with Women's Voices Now was amazing and life-changing. We built friendships that will last, we built connections that will help us get where we want to go, and we built confidence within ourselves and our voices.

“
After a friend became a victim of an acid attack, I decided to work on the issue in Bangladesh by making a film. Women's Voices Now inspired me and helped me get started.
”

“
WVN has an unparalleled archive of films about women's issues. Most importantly, many films show women taking action to create change, making the audience feel empowered and inspired.
