

Your gift of appreciated stock to Women's Voices Now helps us realize our vision of a global culture shift toward gender equality.

It also provides you with several financial advantages:

- Avoiding federal and state tax on capital gains
- Receiving an income-tax deduction for the full market value of your gift if you itemize deductions on your tax return and have held the assets for at least one year
- Making a larger gift at a lower original cost to you

Please consult your financial planner or tax advisor to determine how these tax advantages might apply to your specific situation. **To make a gift of stock:**
